Myrtle McLean, former City Clerk, has had a real bad luck lately.

Myrtle McLean, former City Clerk, has had a real bad luck lately. She was severely ill all during Christmas holidays, and was in moving from her home to an apartment until just last

while in the process of moving, she broke several bones in her foot, and is now hobbling around with a walking cast and braces—which she hopes to discontinue soon.

All wish you a speedy recovery "Mike," and you can be sure everyone misses you.

Albany mothers are beaming over the laurels won by their daughter, who were semi-finalists in the 1973 California State School competition.

The two teenagers are Lesah Jensen, daughter of Mary Jensen of Madison St., and Julie Dowling, son of Lydia Dowling.

Finalist status in the program is based on high school grades and SAT scores, with scholarship awards being made on the basis of financial need and college costs.

Meniketti asked us to re-evaluate everyone to save the date for Feb. 25, for the annual Boy Scout Troop 12 Pancake Breakfast, which will be served on that day, from 8 a.m. to 1 p.m., in the Cornell School cafeteria. More on this next week, but mark it on your calendar now.

Great big CONGRATULATIONS to Liz and Bud Pursell, who are celebrating their 38th anniversary, today, St. Valentine's Day.

Pursells are long-time Albany residents. Bud was an Albany policeman 25 years ago, and Liz (Isabelle) owns and manages the very popular Girl's Dress Shop on Solano Ave. Congratulations again, super couple!

Let us see our neighbor, Dominic, up and around and back on his feet again. Dominic, who preaches at Gay's Delicatessen on 12th Avenue, has been greatly improved during the three weeks of fighting the London flu.

Jennell Provost, who will celebrate her first birthday on Feb. 12, also has another "first" in her young life—her first black hair.

Barbara Bacigalupi, daughter of Dr. Robert Bacigalupi, will demonstrate an artificial heart and lung, and show how an electrocardiogram is made, during her lecture entitled, "You and Your Heart," on Saturday and Sunday, Feb. 17 and 18, at the Lawrence Hall of Science on the UC Berkeley campus, at 2:30 p.m.

"The Unexplained," a documentary film dealing with the investigations of scientists and amateurs, into the last unexplored frontiers of knowledge, will be shown at 11 a.m. and again at 1 p.m.

Council Meeting

Due to the Monday observance of Lincoln's Birthday, the Albany City Council met last night, as the Albany Times was going to press.

Agenda items included: Minutes of the Park & Recreation Commission meeting of January 25; January reports from the Fire and Police Departments and the City Treasurer; an application from Violet S. Brook of Rainbow Taxis, for a temporary taxi cab permit, and a claim from Xerox Company, concerning a suit for taxes the company alleges were "erroneously collected" by various cities and the County of Alameda, on office copying and duplicating equipment leased to them by Xerox.

A complete report on last night's meeting will be in the February 21 issue of the Times.

Golf Goes On In Spite of Weather

In spite of a week-long rain and threatening skies, resulting in soggy fairways, muddy roughs and super-slow greens, 42 members of the Albany Men's Golf Association showed their true dedication by attending their January 21 tournament at Franklin Canyon.

Co-chairmen for the event, Vince Briganti and George Muha, report that each of the flights had a repeat winner — although they had been absent from the winner's circle for quite some time.

Bob Dailey captured the Low Flight with 87, with a handicap of 18, for a net 69; while Drex Rose won the honors in the High Flight with 97, less his 26 handicap, for a 71.

Big Joe Gaeta took second in the Low Flight with the low gross round of the day, 81-10-71. John Zorro and Jack Davis tied for third place with 90-18-72. This was a possible first time win for Zorro.

Runner-up spot for the High Flight went to Ray Reyes, who shot a 102-26-76. A three-way tie for third developed with Bud Stutt 99-22-77, Bob Reil 100-23-77, and Walt Hamilton 100-23-77, dead-heat.

Wayne Hanson won the Blind Boogie Flight, but there was no winner for the monthly hole-in-one.

The Association's next tournament will be held at Rohnert Park, Sunday, Feb. 25, with tee-off time set for 9:30 a.m., according to co-chairmen Bob Nora and Bill Chambers.

George Let Us Down

It's back to the old drawing board for our weatherman, George Bernard, who promised us some sunshine, starting Sunday, based on last year's report of no rain between February 5 and 21.

Although Sunday was nice most of the day, George let us down, for it started raining again on Monday, and George predicts we will probably make 40 inches for the season—at least!

We had 2.64 inches last week (Monday, Feb. 5 through Monday, Feb. 12), making a total of 37.13 to date.

P.S. George says it's been nice and quiet in Albany for the last two weekends — 'cause BART doesn't run then.

Albany Race Track 'Open House' Attended by 18,000

Threatening skies failed to dampen the enthusiasm of the approximately 18,000 people who attended the 3rd annual Golden Gate Fields "Open House" last Sunday.

Commencing at 8 a.m., Golden Gate Fields' personnel were on hand to present a program of

trackside and off-track activities featuring something for everyone who is interested in racing and track operation.

Although the originally scheduled pony rides and hay wagon rides for children had to be "scratched" because of the condition of the track, due to a week long rain, the little ones found other things to draw their attention, and were particularly attracted to the special 11th Century jousting exhibition, featuring a colorfully garbed Percheron mounted by a completely costumed knight.

Other attractions included tours of the stable and jockey room areas, a "tote display" of the ticket machines and computer operations, plus a continuous showing of racing films, including re-runs of the Fields' 1972 races on closed circuit TV.

A variety of mounted groups were present to perform, including the Contra Costa Sheriff's Posse Patrol, the Shrine Mounted Patrol, and a pony drill team.

Race track horses were observed during their morning workouts and in 13 training races, which took place throughout the day.

A special tennis exhibition, featuring tennis pros from the area performing on the new GGF tennis facilities which opened last fall.

A highlight of the day was a parachute jump, by three young chutists from Livermore Airport. Because low overcast at their airport delayed their takeoff, the exhibition was delayed almost an hour. However, it was well worth waiting for, with one participant coming in less than two feet from the marker on the track infield.

Dieters' 'Open House' Tonight

The public is cordially invited to attend a "Diet Workshop Open House," to be held Wednesday evening, Feb. 14, at 7:30 p.m. in Room 1A at Albany High School, 603 Key Route Blvd.

Workshop members feel that weight loss is attained through the stimulus of meeting others with the same problems, and in following each other as they lose weight together.

Discussions are held on special problems, such as entertaining, attending dinner parties and other events, resisting left-overs, how to satisfy the nibbler, and how to coordinate your diet with family meal planning.

There will be an opportunity for those who wish to join the Diet Workshop at the conclusion of the open house. There will be no fee for those who do not wish to join.

Bus Schedule Changes Made

Service on AC Transit's intercity express line No. 33, covering Richmond, El Cerrito, Albany, Berkeley and Oakland, was reduced by three trips in each direction, as of Monday, Feb. 12, because of a diversion of riders to BART trains.

AC Transit directors had agreed last month to keep the line in operation on a trial basis, pending reaction of riders to BART service in the same corridor, following petitions and phone calls from hundreds of passengers, requesting continuance of the line.

However, already a significant drop in patronage has been noticed, and service, accordingly, is being reduced by one coach, according to W. E. Robinson, transportation engineer.

Robinson said that patronage between Richmond and Oakland had dropped 11 percent, or approximately 200 passengers; while patronage from Oakland to Richmond is down 16 percent, or 310 passengers.

Oakland bound trips which were abandoned included the one leaving 10th and Macdonald Ave. in Richmond at 5:57 a.m.; and the ones leaving Solano Ave. and The Alameda at 5:50 a.m. and 7:56 a.m.

Return trips discontinued are the Oakland to Berkeley bus which leaves Water St. and Broadway at 3:53 p.m., and the Richmond bound buses leaving the same location at 5:15 and 6:12 p.m.

Adjustments will be made in other schedules to maintain a bus frequency of 10 to 12 minutes, in peak periods, and a 15-minute frequency at midday.

New schedules are now available from the bus operators.

Louis Reavis, of 1725 Marin Ave., has a unique, hand-crafted motorcycle on display at the 25th annual National Roadster Show, which begins this weekend at the Oakland Coliseum.

ALBANY POST 292 presents THE VETERAN'S CORNER by Chas. Lindh

One of the best youth programs of the American Legion is the Sons of the American Legion (SAL). It is a non-political, non-sectarian civilian organization composed of the male descendants, adopted sons and stepsons of members of the American Legion and such descendants of veterans who died while in service during the World Wars, Korean War and the Vietnam period or subsequent to their honorable discharge from that service.

The program is built around the constitution of the SAL, which is almost identical with that of the parent organization.

If an American Legion Post wishes to sponsor a squadron of the SAL and have ten or more members ready to sign, then the Commander of the sponsoring Post should appoint an active Advisory Committee of three or more members. They must be familiar with the aims and purposes of the SAL. The sponsoring Post must understand that the

squadron is their responsibility, not to control or to guide it in every detail, but rather to cooperate with, to support and control. The squadron annually elects its own officers. They develop and control their own meetings under the supervision of the advisory committee. The members of the squadron should be taught the value of comradeship, sportsmanship, citizenship, the Constitution of the United States and the history of our Flag and its defenders. They should also place emphasis on sports, pleasures and relaxation.

The application for the charter must be approved by the Department Adjutant and then by the National Adjutant. The key to a successful squadron is the quality of the advisory committee appointed by the sponsoring Post. The members of the committee should know how to lead and control without forcing and how to maintain a good relationship between the sponsoring Post and the squadron.

How to lower your winter PG&E bill despite your horoscope.

This horoscope indicates why your winter PG&E bill is higher. But here's how you can lower it, no matter what your sign: Insulate walls and ceilings. Weatherstrip windows and doors (and keep them shut). Pull drapes at night, but let the winter sun in during the day. Close fireplace damper when not in use. Turn off lights not needed. Lower furnace setting at night and when you're out.

Volunteers are needed on Friday days to address envelopes for the Cerebral Palsy Center. Last year we addressed 11,000 envelopes, and hope to better our record this year. Please come in and help on this worthwhile project.

Remember our Valentine Party Thursday, Feb. 15, when we also celebrate Mrs. Ada Pike's 90th birthday. Income tax aides will be on duty at our Center on Saturday, Feb. 17, from 10 a.m. to 3 p.m. to assist you with your income tax return.

On Wednesday, Feb. 21, the subject of the Creative Retirement Class is "All About Investments" from 10:30 a.m. to 12 noon. Messrs. Al Samson, Financial Planner, and Dick Wentner, Reg. Vice President of Oppenheimer Fund Distributors, will host this program. Mr. Leo Vuo-

salo will have his class on "World Affairs" this same day from 12:30 to 2 p.m.

A very interesting trip is being planned to St. Helena in March. The date and further details will be announced later. This trip will be by chartered bus and will include lunch in St. Helena, a visit to the Silverado Museum and to the Hurd Candle Factory. The Silverado Museum opened on Dec. 14, 1969, and displays the finest Robert Louis Stevenson collections in private hands. It is a "jewel box" museum in design, in which more than 200 rare Stevenson items are attractively presented and carefully described.

This trip should be very educational and enjoyable and we are planning for many people to take advantage of it. We hope you will be one of them.

Jazz Exercises, Exotic Dancing

A new approach to exercising for physical fitness is being offered to Albany housewives by Bea Meyers at The Dancing Girl dance studio, which opens next Tuesday, Feb. 20, at 1178 Solano Ave.

Bea invites Albany women to come exercise "the fun way," to bouncy jazz tunes. She claims you'll have so much fun you just won't believe you've had a workout until you see the results in the mirror. These classes are scheduled to be held daily, Monday through Friday, from 9:30 to 10:30 a.m., and are the only daily exercise classes being offered in the area.

Another interesting class being offered at the Dancing Girl is Belly Dancing for Housewives, taught by a professional exotic dancer, Najia. These classes will be held on Mondays, from 7:30 to 9 p.m., and Thursdays from 8 to 9:30 p.m. A special class for advanced students is being planned for Wednesday evenings, with instructions for presenting a professional-like belly dancing show.

Najia also instructs beginners in the art of belly dancing at the Albany YMCA on Tuesdays, from 7:30 to 9 p.m.

On Wednesday evenings, from 8 to 9:30 p.m., Bea Meyers will instruct a true beginner's folk dancing class in circle and line dancing, with no need for partners.

Children's creative dance classes, for youngsters 4 to 6 years old, will also be held at the Dancing Girl on Tuesday afternoons, from 3:45 to 4:30 p.m.

For enrollment information or further information on classes, please call 524-5596.

Note of Thanks

One could write a book on the good people of Albany. There are so many!

I wish to thank all of you who helped in various ways to make my retirement reception such an enjoyable one. I was very happy to see that so many of you came back to attend, and I also appreciate, more than I can briefly say, your contributions toward my lovely gifts.

What a great pleasure it has been to have worked with you! Again—I do thank you dear people.

Most sincerely,

Church News

Guest speaker at the 11 a.m. service at the Albany First Baptist Church this Sunday will be Dr. Robert Rasmussen, executive minister of the American Baptist Churches of the West, and responsible for the 225 churches of Northern California and Nevada.

Dr. Rasmussen will speak on "Critical Choices for Hard Headed Christians."

At the 7 p.m. service, the Home Mission Film, "Song of the Shining Mountains" will be shown, depicting the value conflicts among American Indians and the importance of Christian mission work among the Indians.

The First Baptist Church is located at 1319 Solano Ave. Visitors are most welcome at both services.

Rev. Vergil J. Keena is the new pastor for the Albany Church of the Nazarene, 850 Talbot Ave., replacing Rev. Harvey Carter, who retired from the ministry after 13 years.

Rev. Keena moved to the Albany area this past weekend, accompanied by his wife and three children. The Kennas were residents of Salinas for the past 28 years, where the Reverend was active in the Salinas Church as Minister of Youth.

Rev. Keena invites everyone in the area to come and visit the church as often as possible. Services are most welcome at both services.
